

DECEMBER NEWSLETTER

END OF YEAR PLANNING

December is not the end of things but rather the preparation for the new plans, and triumphant victories ahead. December is a great season to begin our planing, especially as student.

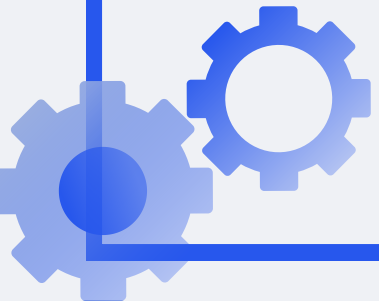

STRATEGIES FOR THE NEW

In December students may face academic pressure from final exams, papers, and projects, combined with general stress, financial strain, and social pressures associated with end of the year transitions.

ASK FOR WISDOM

Wisdom is the principal thing" Proverbs 4:7

APPROACH THE NEW

One of the greatest ways to approach or confront any new season or opportunity is through prayer.

PRAY FOR THE NEW

The following prayers are intended to provide a structure for December blessings.

1 Kings 4:30 — Prayer for Exceptional Wisdom
“Solomon’s wisdom excelled...”

Father, grant me wisdom that surpasses my peers and elevates my understanding.

Lord, make my mind sharp, clear, and divinely enlightened.

I receive uncommon insight that sets me apart academically.

God, let excellence be the signature of everything I study.

Empower me to grasp difficult concepts with supernatural ease.

Let the spirit of wisdom rest upon me and guide my decisions.

Father, make my intellect fruitful and my mind productive.

Lord, help me to stand out by the quality of my ideas and understanding.

In Jesus Mighty Name!

Isaiah 42:4 — Prayer for Determination & Perseverance

“He shall not fail nor be discouraged...” Lord, strengthen me to keep pushing until I succeed.

I refuse failure and discouragement; fill me with endurance.

Father, help me stay focused and unshaken during academic challenges.

Empower me to complete every assignment with resilience.

Lord, breathe determination into my heart and discipline into my habits.

I receive the grace to remain confident and hopeful in my studies.

Father, let persistence rise within me until excellence is accomplished.

Lord, make me steady, courageous, and unwavering in purpose.

2 Timothy 2:15 — Prayer for Diligence in Study

“Study to show yourself approved...”

Lord, make me a diligent and disciplined student.

Help me manage my time wisely and study with purpose.

Father, remove every distraction that keeps me from excellence.

Teach me to study with understanding, not confusion.

Give me the strength to prepare thoroughly for every exam.

Lord, bless my efforts and reward my commitment.

Help me pursue knowledge with integrity and responsibility.

Father, let my academic work bring honor and approval before You.
